

# 12TH ANNUAL | JUNE 4 - 7, 2019

## ARIZONA GANG CONFERENCE

The 2019 curriculum was developed to provide Gang Practitioners the most up to date training on the necessary skills to combat Criminal Street Gangs (CSG's) and Security Threat Groups (STG's)

Criminal Street gangs and prison gangs have a dependence upon each other for survival. Numerous 2019 AZGIA classes will utilize two instructors – one from the streets and one from the correctional facilities to help attendees understand the connection and the methods used by the gangs to continue to diminish the quality of life in our communities, while continuing to commit UCR Part One crimes every day.

Gangs are the common denominator in most crime trends

we fight every day, including the Opioid Crisis, Human Sex Trafficking and Transnational Crimes that affect almost every Arizona community.

It's not good enough to merely Hold the Line. It's time we worked together to push the gangs out of our communities and to provide our children, our elderly and the people we protect the quality of life they deserve, and to not live in fear of gangs.

Although the 2019 Curriculum is robust, it is highly recommended that attendees attend the "Basic Gang Training" which will be held on Monday, June 4, 2019

Attendees will receive twenty-four hours of continuing education credit
