Mr. Paul Goldberg  
8120 Brindisi Lane  
Boynton Beach, FL 33472

Dear Paul and Nam Knights members:

First, my apologies for the delay in sending this sincere thank you to you and your club members. Thank you once again for coming to the Fisher House and presenting the families and Veterans with stockings for Christmas. I am so honored that you chose to do this for us again this year. It is a memory, the Veterans, their families or I will not soon forget. We all enjoyed seeing you all "rolling in" and those present were still talking about it when I arrived back to work on Monday! I am so thankful that you all thought of the Fisher House when planning for the holidays again this year.

My program depends on donations from individuals, businesses and organizations, like yourself. I am forever grateful for this wonderful gift for our families. The smiles and thank you's after giving them out were endless!

One of my guests, was excited to see the motorcycles and have his picture taken with them. He had been in the hospital for 3 months which 2 months was in ICU and unresponsive. He is hoping that once he completes his rehab that he will get home and get his dream 3 wheel bike!

Your donation to the families at the Fisher House was so appreciated by me and our guests. You all are welcome here anytime!

Thank you again for supporting our Veterans and their families!

Your friend always,

Shelley Prickett  
Fisher House Manager
