

## GIVING GUIDE

Why pledge? Pledging allows us to plan for a year of everything that we've come to love and expect about our church: our staff, our worship, our social justice programs, and so much more. All we ask is that you let us know how much you plan to give between July 1, 2019, and June 30, 2020. Of course, if your circumstances change, you can change your pledge at any time during the year.

In the 3 years we have been together, we have deepened our commitments to **building justice** in the world, offered **meaningful care** for each other when in need, created **spirit-filled worship**, and **increased the diversity** of our community as we have **grown by over 60%**. This coming year, we are investing in a new staff model that will empower us to truly live out our mission of awakening love and justice in our lives and the world.

Our **mission becomes alive** when we give ourselves to it, but **when we come together** it is so much greater than the sum of our individual commitments.

**With your support, we can make it happen!**

—Rev. Abbey Tennis
